SKILLS

- Computer Programming C
- C++
- Python
- Data analysis
- Basics Hardware & Software
- Microsoft Word ,Spreadsheet
- Arduino skill
- HTML & CSS
- Presentation Design and Hosting

Languages

- Nepali
- English
- Hindi

EDUCATION

Morgan International College
2022-2024

Advanced College of Engineering & Management

Bachelor in Electronics
Communication and
Information Technology
2024 -Running

SUMMARY

- I am a dedicated and results-driven professional with a Bachelor's degree in Electronics, Communication, and Information Technology from Tribhuvan University. With expertise in Python, Pandas, NumPy, Git, HTML, CSS, and Arduino, I possess a solid technical foundation in software development and data analysis. I have worked extensively with frameworks and libraries such as Seaborn, NumPy, and Matplotlib to deliver impactful projects.
- My career goals are focused on pursuing roles in Data Analysis, AI, and BEX Engineering. I am particularly motivated by the opportunity to contribute to innovative solutions that drive both personal and societal advancement. Known for my problem-solving skills, strong communication abilities, and a detail-oriented work approach, I am eager to leverage my technical expertise in dynamic, resource-rich environments that foster continuous learning and innovation.
